MILITARY SERVICE

Qualified veterans who obtain passing scores on open competitive examinations may be entitled to have additional points added to their scores. Individuals entitled to veteran's preference points also include disabled veterans, spouses of certain disabled veterans or unremarried spouses of eligible veterans who were killed in action or died of a service-connected disability. Candidates must qualify under Wisconsin state statutes defining veterans for this purpose.

Wisconsin State Statute 230.16(7m)(a) defines a "veteran" as a person who fulfills at least one of the following requirements:

1. Served on active duty in the U.S. armed forces for at least 180 days, not including training.
2. Was discharged from the U.S. armed forces because of a disability incurred during active duty or because of a disability that is later adjudicated by the U.S. department of veterans affairs to have been incurred during active duty.
3. Was honorably discharged from the U.S. armed forces.
4. Is eligible to receive federal veterans benefits.

Documentation Required

If you are an eligible veteran, you must attach an undeleted copy of your DD-214. Undeleted means that the copy you submit must include the bottom portion that indicates the type of discharge you received. If you have not yet been released from active duty, you may present individual orders or a letter from your commanding officer attesting to honorable service and the dates thereof, instead of the DD-214. If you are the spouse of a disabled wartime veteran whose disability is at least 70%, or if you are the un-remarried spouse of a veteran who was killed in action or died of a service-connected disability, you may be eligible to claim preference points. In addition to the documentation described above, you must also provide documentation of your relationship to the veteran and of the veteran's compensable disability.

Do you claim veteran's preference points based on the criteria listed above?
